The Honorable Commissioner

of Indian Affairs,

Washington, D.C.

Sir:

I would respectfully invite your attention to your communication of March 15th last, (Miscell, P. 346, 348, 347, 350, Authority 386, 398, all 1880).

I have received no further instructions. These men eat their heads off every day. It would be cheaper to shoot them than to keep them any longer. Please give me authority to get rid of them.

Very respectfully

Your obt. servant
